

The Evanston In-School Music Association (EISMA) is a not-for-profit community organization established in 1971. We offer two professional music programs, each fall and spring, to Evanston/Skokie District 65 public elementary and middle schools, special education schools, and private schools in our **Concerts for Kids** series.

EISMA strives to expose students to a broad spectrum of music and musicians.

Our musical enrichment programs are funded solely by donations from individuals and families, local businesses, community organizations, participating schools' PTAs and PTOs, foundations, and grants from organizations including the Illinois Arts Council and Evanston Arts Council. To volunteer or find out more about our organization, please contact us at the address below.

A donation to EISMA is music to your child's ears!

In order to continue to bring high-quality professional music performances to Evanston children, EISMA needs your help. Please support EISMA today! Contributions of any size are appreciated. Send your tax-deductible gifts to:
